

EGRESS WINDOW WELLS AND ACCESSORIES

MODULARWELLS EGRESS WINDOW WELLS

Modularwells

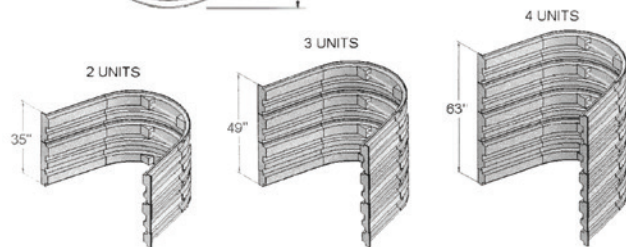

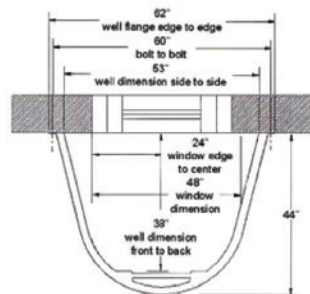

Modular egress window wells

Modularwells Egress Window Wells fit 32" to 48" wide slider or casement windows. Modularwells also offer egress options for added safety.

Pre-drilled mounting flanges on the Modularwells attach directly to the foundation. Each well is made of polyethylene material with UV inhibitors and is resistant to weather conditions like freezing and thawing.

Modularwells Egress Window Wells WW-44905
 Each or 20/Pallet
 62" W x 44" Projection x 21" H
 *Installation hardware kit WW-44180 must be used to validate warranty

Modularwells Advantages

- The modular design allows you to increase overall well height by 14" per additional modules
- Provide escape with built-in steps/ladder
- Meet building codes for below-grade living space egress
- Enhance your home value
- Won't rust or dent like metal
- Offers a window well cover for added safety
- Available in speckled earth tone
